SOUTHLAKE CHAMBER DIRECTORY TO BE PRINTED THIS MONTH

Southlake, Texas –

The Southlake Chamber of Commerce is expected to have its 2008 Chamber Directory printed and ready to distribute by the end of this month. The Chamber prints a directory and map annually, and provides those to more than 10,000 recipients to include every single household in Southlake. The directory will be categorized under multiple business types and each of the Chamber's 650 plus members will be listed at least once.

A detailed map of Southlake will be included in the directory, as well as a variety of ads and coupons. The directory can also be referred to online at the Chamber's website www.southlakechamber.com. This directory is a resource of Southlake community information, business sector connection, citizen services and shopping and dining.

The Chamber encourages anyone who wants a copy to stop by the Chamber office at 1501 Corporate Circle, Ste. 100 in the first couple weeks of February to pick one up. By looking in the directory for a complete list of members with whom to do business, customers can rest assured they will get the best products and services in the area!
